Dear Postal Regulatory

I am writing to appeal the decision to close the South Sherfield Post office in Missouri. This is a very small community and quite a few of our residents are elderly. It would be very difficult for them to go to Lockwood MO to pick up their mail. Also it does not make sense to me to have our mail coming out of Lockwood instead of Sherfield because it is 7 miles away and Sherfield is only 2 miles away. This office has been open for quite some time and I feel it would do a great injustice to our neighbors to have it closed.

I appreciate your time reading
my letter and hope it is taken
into consideration when reviewing
this matter.

Sincerely

Ketty Byrnes
